

**Curlis from TaliBoelt Design**  
**Precious accents for the hair. Fits perfect to the bridal**  
**couture of San Patrick and TaliBoelt Design.**

Eichenau / Munich, 26th of March 2010

The new TaliBoelt Design curly collection covers a wide selection of exclusive and significant Curlis which fits perfect for all bridal and evening dresses and styling's. Like all accessories from TaliBoelt Design the Curlis are designed and hand-crafted with much love to detail. The usage of high-value materials like crystals and pearls and the unique exclusive design gives the Curlis the unique and significant character. The accessory collection 2010 further offers hair accessories like hair combs, diadems and hair chains, which fits perfectly to the curly collection. The Curlis and all other accessories and jewelry can be designed and produced individually for the customer at the own TaliBoelt Design bridal studio.

## **Hand-crafted individual jewelry and accessories from TaliBoelt Design**

The jewelry and accessory collection 2010 from TaliBoelt Design consists of hair accessories like diadems, Curlis, hair chains and combs, fascinator, earrings and necklaces, armbands, hairpins, veils, handbags, gloves and stoles. All single pieces are produced with different materials. Combinations of different metals, gemstones, crystal glass, semi-precious stones and pearls in many different colors and models, artful hand-crafted blooms, strass, bands and feathers offer many possibilities for different designs and styles.

The handcrafted exclusive uniques from the TaliBoelt Design jewelry and accessories collection 2010 gives your bridal or evening dress an exclusive note, which underlines your personality in a very special and glamorous way. All jewelry series and accessories can be designed according to your wishes. All series are available as complete theme sets – consisting of necklace, earrings, diadem, hair comb, Curlis and can be color combined according to your wishes.

### **Bridal Couture – Bridal Styling – Kids Couture**

TaliBoelt Design was founded in 2006 and consists of bride couture and bridal styling, offering sophisticated customers a complete service package. In addition to brands such as San Patrick, W1 White One by Pronovias and Alfred Angelo TaliBoelt Design offers an own collection of exclusive bridal wedding gowns and accessories, which completes the exclusive product offer. For kids TaliBoelt Design offers fashion from the exclusive Italian brands Papermoon and i Gianburrasca, as well as kids fashion made by TaliBoelt Design. In 2008 the bridal studio was completed by an exclusive TaliBoelt Design boutique in Eichenau near Munich. There the professional bridal stylist and fashion designer Natalia Boelt offers the exclusive bridal collection of the brand San Patrick as well as the own designed bridal and evening dresses. Additional TaliBoelt Design offers own collections of bridal accessories and jewelry.

The fashion artist Natalia Raphaela Boelt (born Amoo) grew up in Ghana / West Africa and South Baden/Germany. Today she works as a successful designer in her own bridal studio, where under the brand TaliBoelt design she creates and crafts bridal and festive fashions, matching accessories and children's fashion.
